# ICON

Desktop and Underdesk

ICON DESK

Single, double, and 4-way desktop units. UK sockets with resettable fuses, and USB chargers, and dual media slot options

ICON-ONE

Single UK socket, Dual USB C charger and USB A charger

ICON

Dual UK socket, Dual USB C charger and USB A charger, dual media slots

ICON-4

Four UK sockets, Dual USB C charger and USB A charger, and dual media slots
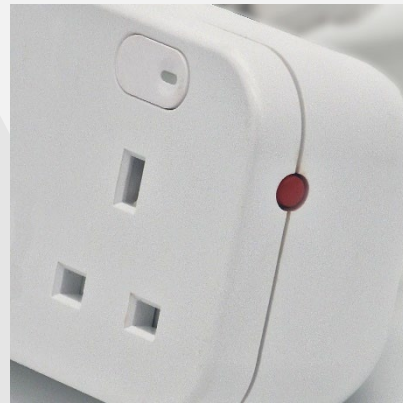

FEATURES

MULTIMEDIA

Media slots can be populated with multimedia and data options

THERMAL FUSE

UK sockets have a user-resettable thermal fuse, reducing downtime

Tool-less mounting using the included desk clamp

POWER

500mm mains lead to 3-pole connector. Any length of Start lead can be used

USB

USB chargers with options for USB A and USB C, in 18W or 65W power options
